Re: Transfer of Notice of Intention, Small Mining Operations, Terra Resources, LLC to Great American Resources, Southern White / Mountain Rose Mine, S/001/047, Beaver County, Utah

Dear Mr. Applegate:

On April 30, 2003, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the Southern White / Mountain Rose small mining project located in the SE1/4 SE1/4 of Section 16 and the NE1/4 NE1/4 of Section 21, T27S, R13W, Beaver County, Utah from Terra Resources, LLC to Great American Resources.

The Division Director signed and executed the permit transfer document on July 21, 2003, *which effectively transfers the responsibility of this mining operation and reclamation to you*. A copy of the executed transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project. Please be aware that you must satisfy the BLM requirements in making this change in ownership as well. We will forward a copy of the executed permit transfer form along with this letter to the area BLM office for their records.

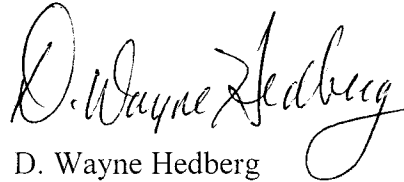

***By copy of this letter the Division hereby officially releases Terra Resources, LLC from any further reclamation responsibilities at this site.***

Please be advised that the annual permit fees have recently been sent and are due by July 25, 2003. Unfortunately, because this transfer was not finalized prior to the billing statements being sent out, they were sent to Terra Resources. We have enclosed another billing statement showing Great American Resources as the operator.
